

Pick Six Sports Level Up Refund Policy

1. Registration Fee Refunds:

- **Full Refund:** Requests for a full refund will be honored if made at least one week before the late registration period begins.
- **Partial Refund for Full Payments:** Requests made after the registration deadline but before the first practice or game may be eligible for a partial refund, minus any non-refundable administrative fees.
- **Partial Payment: No Refunds on Partial Payments**
Due to the nature of securing a roster spot, partial payments are non-refundable. This policy ensures that we can adequately prepare for the season and accommodate all players. If you are able to pay in full 1 week before late registration begins, then you will fall under the partial refund for full payment requirement.

All partial payments must be paid in full by the final day of late registration.

- If the full payment is not received by the deadline, your **partial payment will be forfeited and non-refundable**, and your **roster spot will be lost**.

2. Refunds After Season Start:

- **No Refunds:** No refunds will be issued after the season has commenced, except in extraordinary circumstances at the discretion of the league administration.

3. Processing and Requests:

- **Request Submission:** All refund requests must be submitted by email to the league administration and will be reviewed on a case-by-case basis.
- **Processing Time:** Approved refunds will be processed within 4-6 weeks and may take additional time depending on payment methods and administrative procedures.

4. Additional Information:

- **Non-Refundable Fees:** Any non-refundable fees, such as uniform costs, additional equipment ordered or administrative charges, will be deducted from the total refund amount.
- **Contact Information:** For questions or to request a refund, please contact us by email at **picksixsportslevelup@outlook.com**.
