

Head Coaches & Volunteers Policy

“To ensure the safety and well-being of our young athletes, all volunteers and coaches are required to complete a background check before participating in our youth sports league.”

Background checks for Coaches and Volunteers are provided at no charge by Pick Six Sports Level Up as part of our registration process.

Head Coaches Incentive

Head Coaches will be eligible for a discount on their child's registration fee, or they may choose to apply the discount to any player of their choice for the season they are coaching. This discount will be reimbursed two weeks after the conclusion of the season. This incentive is designed to encourage volunteers to coach and complete the entire season.

To qualify for reimbursement, Head Coaches must meet the following criteria:

- Complete the entire regular season, including postseason games, as the head coach.
- Only Head Coaches are eligible for the discount.
- If a Head Coach decides to resign before the end of the season, they will forfeit their 50% reimbursement.
- If a Head Coach steps down but a replacement is willing to take over for the remainder of the season, the new Head Coach will be eligible for the discount minus the 15-dollar background check fee.

Volunteers

To qualify as a Volunteer, you must meet the following criteria:

- Pass a background check.
- Note that Volunteers are not eligible for reimbursement.

Thank you for your support in making this program possible. Your involvement helps us develop our young athletes and ensures their safety.
